

# IAP2 CANADA | Join IAP2 Canada

If you are a public participation (P2) practitioner, academic, organization, politician, decision-maker, or consultant interested in good P2 practice, **we are the association for you.**

## PROFESSIONAL DEVELOPMENT AND SUPPORT

IAP2 Canada is a national organization committed to growing the practice of P2 in Canada. Our members are engagement professionals interested in building successful P2 processes and result-based outcomes.

IAP2 Canada will help you grow professionally. If you are new to P2 or an experienced professional, working in a large firm or running your own consultancy, an IAP2 Canada membership will strengthen your professional skills. As a values-based organization, our members follow and practice the Core Values of Public Participation and adhere to a Code of Ethics. IAP2 Canada is a member driven organization that is interested in building a strong P2 profession. Join today and see your career and profession flourish.

## A NATIONAL PRESENCE WITH REGIONAL STRENGTH AND INTERNATIONAL CONNECTIONS

The practice of P2 is alive and well across Canada thanks to active and growing regional chapters. IAP2 Canada chapters are region based groups that bring together members for networking, training and professional development.

When you join IAP2 Canada, you can also become a member of a local chapter. There are chapters developing in the Prairies, southern Ontario, and the National Capital Region as well as established chapters in BC and Alberta. You will also become a part of an international network of members passionate about P2.

**Our Vision** is a world where IAP2 principles are used to build and sustain democratic and participatory communities.

**Our Mission** is to champion the practice of people-focused approaches to support sustainable relationships and outcomes.

## WE VALUE

- transparency
- accountability
- inclusiveness
- passion
- being responsive and proactive for our members and their clients
- the core values of IAP2 and how they guide the work of practitioners
